RE: Tariff Filing to Establish the Bellsouth® Zero Minus Charge

Dear Ms. Sager:

To assist the Authority in its review of BellSouth's above referenced filing you are requested to provide the following information:

1. What is BellSouth's estimate of its projected annual revenue that should be realized from approval and implementation of this tariff?
2. Will Bellsouth be providing exemptions to this tariff, such as those provided in the Directory Assistance tariff for elderly and disabled persons? If so, describe the exemptions that will be provided.

Thank you for your prompt attention to this request as it is important that this information be received by November 10, 2003. If you have any questions concerning this request or need additional information, please call Lewis De Board at 615-741-2904, extension 219.

Sincerely,

Joe Werner
Telecommunications Chief
